Dear Madam / Dear Sir,

I am pleased to recommend Behra Usova's company for the search and placement of the cleaning team.

We have been working with Behra since 2022 and are very satisfied. She is very responsive to our requests and requirements. In case of planned or unexpected absence, she always finds a replacement to ensure continuity.

Her staff are efficient and discreet, always smiling, polite and quick.

I remain at your disposal if you wish to contact me and I will be happy to recommend Berha Usova to you in person.

Best regards,

Emeline Legrand
